Cologne, September 11, 2020 – TLD China has presented DEUTZ AG with the 2020 Excellent Supplier Award in recognition of outstanding performance in their partnership.

DEUTZ and TLD have been working together for many years. The French TLD Group is a market leader in civil aviation and the manufacture of ground support equipment. The company has two sites in China, in Wuxi and Shanghai.

Dr. Thomas Dorn, TLD CSEA Chief Executive Officer, presented the accolade to Christian Zürnstein, CEO of DEUTZ Asia, at a ceremony in Wuxi. TLD particularly praised the highly flexible service provided by DEUTZ during the coronavirus crisis, the supply of engines in the face of logistical challenges, and the company's flexibility regarding changes to orders.

“We are delighted to receive this award from TLD China,” says Zürnstein. “Customer satisfaction is always our top priority. We are proud that we were able to serve our customers so well and so effectively even during the coronavirus crisis, and this confirms that we are taking the right approach.”
