Genuine DEUTZ Xchange parts and engines

A new life for old machines – professionally refurbished engines and components are a fast, economical and environmentally friendly alternative to buying a new engine.

DEUTZ Xchange engines and parts offer optimum functionality and safety: All Xchange products are processed according to strict quality standards and are thoroughly tested regarding part quality, fit and function. The result are reconditioned parts and engines that are equivalent to their new counterparts in all aspects – even if serial production was discontinued years ago.

The benefits of DEUTZ Xchange

- ✓ All wear parts replaced with DEUTZ original new parts.
- ✓ All components are brought up to the latest technical stage of development.
- ✓ Quality and warranty equivalent to new DEUTZ products.
